

# SILENT NIGHT *Music Challenge*

"I'd like to invite your church to get involved this Advent with the Silent Night Music Challenge!"

SAT-7 wants to make some noise with our special international recording of the well-known carol, Silent Night. Could you perform Silent Night yourselves and include our special voiceover?

Alternatively, play our Silent Night music video. Last Christmas our supporters, staff and studios across the world joined together in a special multi-language production of Silent Night. Could your church, school or community group play the music video – perhaps in a Christmas service, home group or prayer meeting? You can find it on our Advent resources page.

At a time of year when Christians in the Middle East can feel isolated, we hope that this special recording of Silent Night will help everyone feel more connected together across the world.

Thanks for raising up the voices of the Middle East!"

*Gemma*

TV presenter & children's author

## OPTION 1

Simply play our "Silent Night" music video in one of your Christmas church services or prayer meetings. Find the video online at [sat7uk.org/advent-resources](http://sat7uk.org/advent-resources).

SAT-7's international recording of Silent Night - available on the Advent resources page

## OPTION 2

A choir, children's group or youth group could perform the Silent Night carol in one of your Christmas services, and include our special SAT-7 voiceover during the third verse instrumental (see words overleaf). This also contains an optional message for people to give Christmas donations. If you also want to take donations for SAT-7 at a carol service event, please let us know.

The voiceover script and lyrics can be found overleaf, and the sheet music and backing track are available to download at [sat7uk.org/advent-resources](http://sat7uk.org/advent-resources).
