

PARTNER YOUR CHURCH WITH SAT-7

AND BRING JOY TO THE MIDDLE EAST

THE MIDDLE EAST: IT'S TIME WE CHANGED THE STORY

Conflict. Poverty. Persecution.
That's the story of the Middle East
we've become accustomed to.

But there is another story being told. A story of faith strengthened, love shown and joy brought – not just to the few, but to millions across the region.

Consider this an invitation to join SAT-7 to take a stand against the negativity and despair that so often surrounds the region.

Your church can be part of this exciting story – to help write a new chapter for the people of the Middle East and for the people of your church community too.

POWERFUL. FAITH-FILLED. **ON THE GROUND.**

Across the Middle East, in millions of homes and countless number of hands, there is a screen – a screen with the potential to strengthen faith, show God's love and bring life-changing joy.

Since 1996, SAT-7 has been on the ground in the region, creating powerful, faith-filled television programmes and digital media that bring life-changing moments of joy to millions – often in the midst of poverty, conflict and persecution.

YOUR WINDOW INTO **THE MIDDLE EAST**

**All churches who partner with SAT-7
have the opportunity to:**

- Experience a more diverse and authentic Middle East
- Hear from local Christian presenters and producers of our flagship programmes
- Deepen an understanding of the cultures, faiths & people of the Middle East
- Expand your appreciation of the Christian faith and its historical, geographical roots
- Witness the impact of prayers & encouragements on everyday lives in the Middle East

“

I wonder how many people you are able to reach with the Gospel message through your local church. SAT-7 is giving us all an opportunity to reach out to many thousands of people in the Middle East who need the encouragement of Jesus or a fresh perspective of faith.

Your church can partner with SAT-7 for three years or support a media project for a year – both are an opportunity for every church to change the lives of many thousands of people. I highly recommend exploring this possibility and offering it to your church family.
