

PROM PRAISE TO THE ENDS OF THE EARTH AT HOME

INSTRUCTIONS

This year, SAT-7 UK is partnering with Langham Arts to thank God for 30 years of media ministry in the Middle East and North Africa.

On 31 May 1996, SAT-7 began its first-ever, two-hour-long weekly broadcast. Since then, through satellite television and digital media, millions of believers across the Middle East and North Africa have learned about God's love, joined in worship, and grown in faith.

To celebrate, SAT-7 will be contributing with special guests, stories, and song during 'Prom Praise: To the Ends of the Earth' which will also be broadcast live and for FREE via YouTube on Saturday 6 June.

We are delighted to invite all those who have been praying and supporting SAT-7 to join us from wherever you are. Although you may not be at the Royal Albert Hall in person, we would love you to invite your family, friends, home group, and wider church community to join you for this special evening.
